

Kausar Fecto & Co.
Chartered Accountants

About Us

Kausar Fecto & Co., Chartered Accountants is an innovative, forward-looking firm of chartered accountants established in the year 2001. Our clients include small to medium-sized commercial enterprises, non-profit organizations and private individuals.

This website provides an introduction to our work, our services and our clients. It will be updated regularly, so do visit again to check what's new. If you would like more information about what we do, we would be delighted if you contact us.
